

**User Manual for factories
on
online production data submission for Index of
Industrial Production (IIP) with base year 2022-23.**

Department for Promotion of Industry & Internal Trade
Ministry of Commerce & Industry
Government of India

Online Data submission procedure:

Login using factory code and password sent by ISU to unit's email id after which home screen would appear.

Click the circle for the month for which data is to be submitted

Data entry screen appears

Enter data in the relevant fields (explained below) and click on Save data

The data is now submitted and the unit will receive an acknowledgement on their email id for the submitted data.

The data can be submitted online using the link <https://dippproductiondata.gov.in/pmsnew/>

As you open the link: the following screen appears:

e-Gazette notification for production data collection for IIP under the Collection of Statistics Act, 2008 NEW

Department for Promotion of Industry and Internal Trade (DPIIT) develops policies and strategies for Industrial Development in the country in line with the needs of the stakeholders. To meet this goal, monitoring industrial growth is necessary and we seek your cooperation in providing us the primary information of industrial production of your unit.

In line with the above, you are requested to submit the monthly production statistics since April 2022 till the latest month and subsequent months by logging on this portal.

LOGIN FOR SUBMISSION OF MONTHLY PRODUCTION DATA FOR 2022-23 SERIES

The data you submit goes on to find representation in the Index of Industrial Production (IIP). As you may be aware, the IIP is an important indicator of industrial growth of the Nation and your cooperation in this effort is valuable.

We are appreciative of your past support and look forward to your continued cooperation.

The statistics submitted by you are not used for any purpose other than monitoring industrial growth.

ADMINISTRATOR LOGIN

REGIONAL OFFICE LOGIN

SUB-REGIONAL OFFICE LOGIN

✚ For login, details required are: **Username**, which is precisely the **factory code** provided by DPIIT to the unit (*it is 08 digits code*) and Password as shared with users via email/letter.

Once the correct details are entered and the user clicks on “login” button, the following screen appears

It is mandatory to update the **contact address, e-mail and contact number by user.**

The screenshot shows a web browser window with the URL https://dippproductiondata.gov.in/pmsnew/online_contact_details.php. The page header includes the Government of India logo and the text "Production Monitoring System (PMS) Industrial Statistics Unit, DIPP, Udyog Bhawan, New Delhi-110011". A user is logged in as "User [redacted] ES | Logout".

Red text instructions are displayed at the top of the form:

- * Mandatory Fields.
- ** Either Mobile number or Landline Number with STD Code is mandatory. Multiple Email Id and Phone numbers should be separated by Comma.

The form is divided into two sections:

FACTORY CONTACT DETAILS

Only / - (), _ @ . & \$ # ! special characters allowed

Address Line-1 *	<input type="text"/>		
Address Line-2	<input type="text"/>		
Address Line-3	<input type="text"/>

Choose Month If Data Entry Is Not For APR-2022: APR 2022 GO

Name
Factory Address
Factory Code
GST Identification No. (GSTIN) [Click here to update GST Identification No. \(GSTIN\)](#)
Total Employees

[Update Details](#)

1. **Annual Installed Capacity:** 'Installed Capacity' is the maximum productive capacity after optimum utilization of available resources of manufacturers' machines/equipment's in normal circumstances.
2. **Total Employees:** Employees relate to all persons (whether regular/contractual, paid in cash/kind) engaged by the unit/establishment/factory in work connected directly or indirectly with the production process and include all administrative, technical and clerical staff.
3. **Item Name:** Products and by-products, excluding intermediate products, which are manufactured by the factory during the accounting month for sale or stocks. Example: (Food): Atta / Maida ; (Textile): Cotton Shirt / Denim Jeans
4. **Value of output (ex-factory value of output):** Value of output refers to the cost incurred by producer to produce specific quantities of a product at unit/factory/establishment level during the month. It covers the cost of raw materials, labor, and other expenses directly involved in producing the goods, as well as the manufacturer's profit and excludes any costs incurred after the goods leave the factory, such as transportation, insurance, customs duties, or any other fees related to getting the goods to the buyer.
5. **Item Group:** An Item Group is a broader category under which similar items of same nature are grouped together. Example: (Food): Dal is the item group, and it includes items like Arhar dal, Moong dal, Musur dal, Gram etc. (Textile): Readymade garments is the item group, and it includes items like Shirts, Trousers, Skirts, Babie's garments, tops, women blouses etc.

Data Submission Month : APR - 2022

S.No.	Item Group	Item Name	Unit of Quantity	Annual Installed Capacity (in Unit of Quantity)	Production		Remarks
					During the month APR-2022		
					Quantity in its Unit	Value of output (ex-factory value of output) in Thousand Rupees	
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)
1	Dal, Milled	MUSUR DAL, MILLED	[42] Tonnes	Tonnes	Tonnes	Thousand Rupees	

Your current email id(s) If incorrect/missing, then [Update Email Id](#)

Your current mobile number(s) If incorrect/missing, then [Update Mobile Number](#)

[Add Item](#) [Save Data](#)

Note:

- To submit production data for specific item under the above item, please click on "Add Item" button.
- In case there is no production during month, please report 'Zero' in Production Quantity and Cost fields.
- Any other details, may be indicated at "Remarks".
- For any Query/Clarification, please contact at 011-23061786 / isu-dpiit@gov.in, referring your factory code and item name.

Content of this website is managed by Industrial Statistics Unit, DPIIT. Website designed & maintained by National Informatics Centre (NIC)

Once all the necessary fields are entered, the user has to click on **“Save Data”**. After clicking on Save Data, the data is submitted, following which the user will receive an acknowledgement mail, for the data submission of a particular month by the factory.

The user has to provide information on the following parameters:

1. **Annual Installed Capacity:** ‘Installed Capacity’ is the maximum productive capacity after optimum utilization of available resources of manufacturers’ machines/equipment’s in normal circumstances.

Determination of Installed Capacity: Installed capacity is determined based on:

- i. Manufacturers’ Technical specifications
- ii. Capacities of individual or interrelated production centers.
- iii. Operational constraints / capacity of critical machines
- iv. Number of shifts.
- v. Any other relevant factor like man power etc.

2. **Total Employees:** Employees relate to **all persons (whether regular/contractual, paid in cash/kind)** engaged by the unit/establishment/factory in work connected directly or indirectly with the production process and include all administrative, technical and clerical staff.

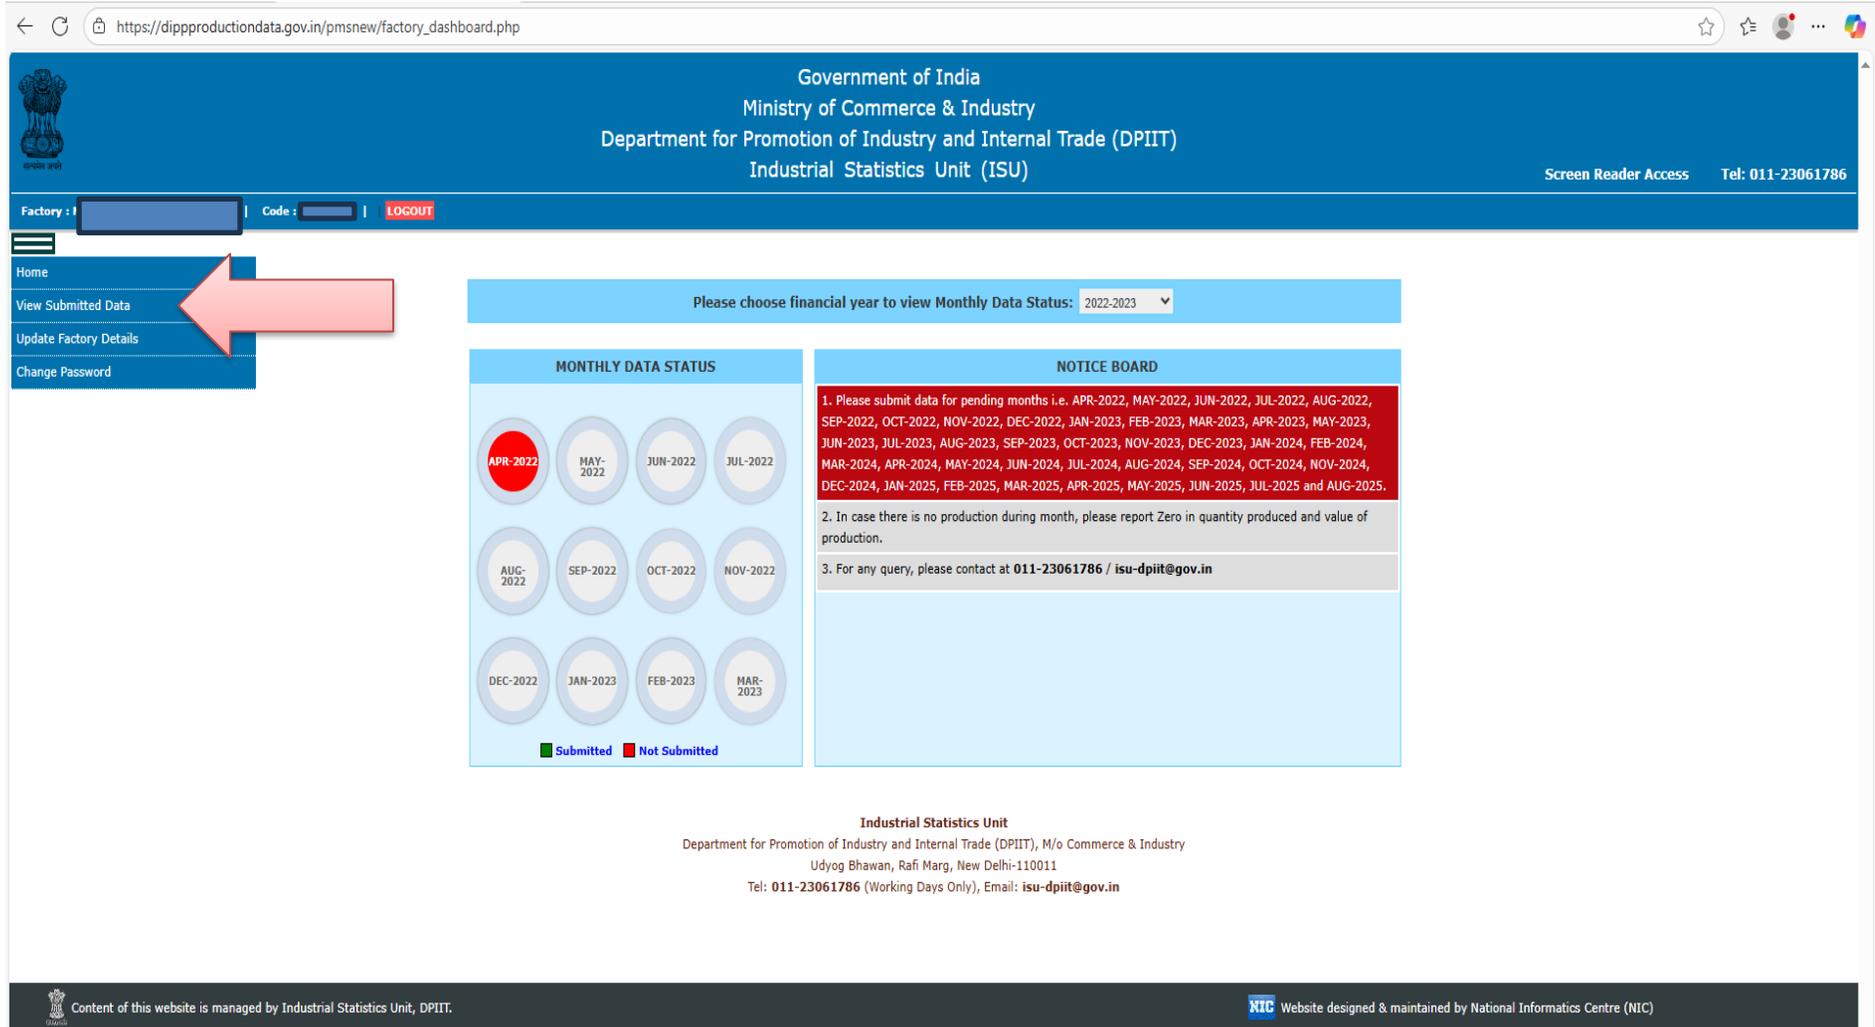

3. **Item Name:** Products and by-products, excluding intermediate products, which are manufactured by the factory during the accounting month for sale or stocks.

4. **Value of Output (ex-factory value of Output):** It refers to the **total cost incurred by producer** to produce specific quantities of a product at unit/establishment/factory level during the month. Includes the cost of raw materials, labour and other expenses directly involved in producing the goods, as well as the manufacture’s profit and *excludes any costs incurred after the goods leaves the factory such as transportation, insurance, customer duties or any other fees related to getting the goods to the buyer.*

The user can also ADD PRODUCT by clicking on the **“Add Item”** icon, if any other items than the ones listed on the portals are produced by the unit.

To View previous submitted data

For the previous data submitted by the factory, the user can view its previously submitted data in the menu:

The screenshot shows the Industrial Statistics Unit (ISU) dashboard. The header includes the Government of India logo, Ministry of Commerce & Industry, Department for Promotion of Industry and Internal Trade (DPIIT), and Industrial Statistics Unit (ISU). The dashboard displays a navigation menu on the left with the following items: Home, View Submitted Data (highlighted with a red arrow), Update Factory Details, and Change Password. The main content area features a dropdown menu for 'Please choose financial year to view Monthly Data Status:' set to '2022-2023'. Below this, there are two sections: 'MONTHLY DATA STATUS' and 'NOTICE BOARD'. The 'MONTHLY DATA STATUS' section shows a grid of 12 circular buttons representing months from APR-2022 to MAR-2023. The APR-2022 button is highlighted in red, indicating it is not submitted. The 'NOTICE BOARD' section contains three items: 1. Please submit data for pending months i.e. APR-2022, MAY-2022, JUN-2022, JUL-2022, AUG-2022, SEP-2022, OCT-2022, NOV-2022, DEC-2022, JAN-2023, FEB-2023, MAR-2023, APR-2023, MAY-2023, JUN-2023, JUL-2023, AUG-2023, SEP-2023, OCT-2023, NOV-2023, DEC-2023, JAN-2024, FEB-2024, MAR-2024, APR-2024, MAY-2024, JUN-2024, JUL-2024, AUG-2024, SEP-2024, OCT-2024, NOV-2024, DEC-2024, JAN-2025, FEB-2025, MAR-2025, APR-2025, MAY-2025, JUN-2025, JUL-2025 and AUG-2025. 2. In case there is no production during month, please report Zero in quantity produced and value of production. 3. For any query, please contact at 011-23061786 / isu-dpiit@gov.in. The footer includes the Industrial Statistics Unit contact information and the National Informatics Centre (NIC) logo.

 *The link will show the user all the previous months' data submitted by the factory.*

Change Password

User can also **change password** and set a password as per his/her convenience using the option **“Change Password”** from Menu. The below screen appears:

The screenshot shows a web browser window with the URL https://diipproductiondata.gov.in/pmsnew/change_password.php. The page header includes the Government of India logo and the following text: Ministry of Commerce & Industry, Department for Promotion of Industry and Internal Trade (DPIIT), and Industrial Statistics Unit (ISU). On the right side of the header, there is a link for 'Screen Reader Access' and a telephone number 'Tel: 011-23061786'. Below the header, there are input fields for 'Factory:' and 'Code:' followed by a 'LOGOUT' button. A 'MENU' button is located on the left side. The main content area features a 'Change Password' form with the following fields: 'User ID:*' (with a dropdown menu), 'Old Password:*', 'New Password:*', and 'Conform Password:*'. A 'Change Password' button is positioned below these fields. A password policy note states: 'Password policy: Password must be atleast 8 character long and should have lower-case alphabet, upper-case albhabet, digit and special chacater. Allowed special characters are ! _ @ # \$ % & * ?'. The footer contains the text 'Content of this website is managed by Industrial Statistics Unit, DPIIT.' on the left and 'NIC Website designed & maintained by National Informatics Centre (NIC)' on the right.
